Building Blocks; the theme for this yearbook, is an appropriate one; as Elizabethtown spent 1990-91 improving and expanding its scholastic and student resources.

In Life, each year builds upon the last. This year saw the completion of the High Library and the addition of Dr. Richard Crocker. The new dean prepared to

carry on Etown's tradition of excellence. Also, a beautiful student memorial garden was built to keep those we have lost close to our hearts.

As you look through the following pages you can see the building blocks of progress — stacked together to keep Etown solid in its tradition, yet shiny and new.

SPECIAL EVENTS

Again this past year Elizabethtown held its annual special events including Paret's Weekend, Homecoming, Convocation, TGIS, and holiday dinners. Students also participated in a second year of "Hands Across Campus" to speak out against drunk driving.

In addition to the traditional activities sponsored by the college, many events designed to promote world awareness were offered. Some of these such events were an AIDS Awareness Week, featuring Ryan's White Mother Jeanne and a candlelight vigil to show support for our troops in the Persian Gulf.

Elizabethtown College also held a spring Symposium. There were no classes held on the day of the symposium and many students, as well as, faculty attended the lectures given by guests from eastern block nations. Another first time activity was the Fine Arts Festival. The day was very successful and will now become an annual occurrence on the campus.

Through events like these and the others held over the past year, Elizabethtown has served as a keystone upon which the surrounding community can rest.

Now isn't this a lot of fun?!

TRANSITIONS '90

The first year of college can be a very frightening experience for the Freshmen students. Therefore, "Transitions," the name for the three days of freshmen orientation preceding the beginning of classes, is a very appropriate title. Activities in which the freshmen participate include: seminars of subjects ranging from academic integrity to safety, peer group meetings where there are icebreakers and discussions on various topics, a freshmen dance, a picnic, and a candlelight induction ceremony in the Dell. One of the highlights of the orientation session is the Freshmen Hike. During this traditional two mile walk, the freshmen are asked a variety of unusual and often obscure questions. When the question is answered incorrectly, which is frequently, the freshmen are required to do something humorous such as kissing one of the peer counselors or singing a song. This activity provides an excellent opportunity to meet people. Overall, the process of orientation makes the transition to college life a little bit easier. One Freshman said, "Instead of having the college experience thrown at us like cold water, we were eased into it gradually. My adjustment of living away from home and gaining independence was made easier by the many activities which the College provided for us during orientation."

PARENTS' WEEKEND

Friday September 21, 1990 was a hectic day for Elizabethtown's student body. Students hurried to tidy up their rooms and apartments. This could only mean one thing — Parent's Weekend 1990. Students eagerly awaited the arrival of their parents knowing that they would finally be taken out to dinner at a restaurant of a higher caliber than McDonald's. They also anticipated a day of shopping at Park City. Even though the students had their weekend planned out, the Parent's Council also did its share putting together a schedule of activities that included a wide range of entertaining events.

The centerpiece was the dedication of the new High Library. The library, however, was not the only source of fun and excitement. The sporting events drew large crowds and many people also took the opportunity to get better acquainted with the faculty during the faculty seminars that were offered. The annual student talent show proved an excellent showcase for the high caliber and variety of talents present in E-town's student body. Further musical entertainment was provided by the various campus ensembles as well as the Philadelphia Brass ensemble.

From the educational potential of the High Library to the suspenseful athletic contests, to the relaxing portions of the weekend, E-town celebrated yet another Parents Weekend worthy of remembering.

OPENED DOORS

Parents Weekend not only served as a welcoming occasion for many families but it also welcomed a new and vital part of our Elizabethtown home — The High Library.

The High Library was dedicated on September 22, 1990 at 6pm. Speaking on behalf of the occasion was Mark Ebersole, trustee member, Dale High, Carole Kreider, and President Spiegler. Many students, faculty, alumni, and parents attended the ceremony that took place on the front steps of the library.

The ceremony opened with the words of Board of Trustee member, Mark Ebersole. As he said, the library must be dedicated to many people who have brought this "vision to a reality". President Spiegler, the administration, faculty, the campaign fund workers, the trustees, High construction workers, and Dale High are just a few of the many dedicated people who helped make the High Library possible.

The efforts of so many people has brought us a new institution of learning. Our library is the key to furthering our education and soaring to new heights of learning. "The library is vital in leading us into the next generation," expressed E-town graduate Dale High.

In dedicating the new library, we cannot forget the one that came before and served to educate so many before us. As Carole Kreider, also an E-town graduate and trustee, explained, "As Elizabethtown's numbers of students and faculty increased and technology progressed, Zug became unable to fulfill our needs." So now we must move on and establish an institution that provides for our needs and represents our continual quest for academic excellence. The High Library is the "centerpiece of our campus where we can communicate with our forefathers, contemplate with our contemporaries, and speculate the future," said President Spiegler.

The dedication not only served to thank those who made the library a reality and welcome it to the Elizabethtown campus, but welcomed what will be happening behind the doors and walls of this beautifully designed and constructed building. As the ribbon was cut we can thank all of those committed to the task of completing the vision of a new place to learn. We can welcome a whole new spectrum of knowledge and we can use the knowledge acquired here in the hope that someday we will be the builders and the dreamers of a new generation.

RECAPTURE A MEMORY

Homecoming activities highlighted the weekend of alumni students, and faculty alike. The entertainment began Friday October 19th with Act 31 guest Danny McCarthy. The folk singer performed in the Susquehanna room because of bad weather. The crowd adapted well and created the campfire atmosphere by gathering around lighted candles, eating smores, and drinking apple cider. A great time was had as everyone joined in with the singing.

Early Saturday morning students were busy setting up tables in the Midway. Student organizations and local townspeople sold everything from food to clothing to handmade crafts. Special events held during that afternoon were the class tug-of-war, which was won by the Freshmen, and the free balloon tether rides.

Homecoming dinner Saturday evening was a semi-formal occasion allowing students to transform from sweats and t-shirts into dresses and ties.

A live band performed at the dance in Thompson Gym from 11pm to 2am Saturday night. The Nerds, a band from the New York area, performed in attire appropriate to their name, including taped glasses, plaid shirts, short pants, and slicked back hair. Students enjoyed the music provided by the band and yelled for more at the conclusion of the evening.

Overall, Homecoming weekend provided a variety of enjoyable activities for all. From Act 31 on Friday night to the dance late Saturday night, there was never an excuse for being bored during the weekend. Not only did students, alumni, and faculty get the chance to "Recapture a Memory," as the theme of Homecoming implied, but they were presented the opportunity to create many new memories as well.

TRADITIONS

This year's Homecoming played host to a multitude of events. Some proved to be traditional while others broke new ground to become next year's traditions.

Students and alumni were at the Homecoming soccer game to cheer on the Blue Jays to a 6-0 victory over Washington College. Both the women's soccer and field hockey teams added to the festivities with victories over Wilkes College. All three sporting events added that extra touch of E-town spirit to the day.

Hot air balloon rides were provided and proved to be a great activity for those who wished to see the Homecoming scene from a new perspective. Not only were rides provided but the beautiful balloon was given the task of dropping the men's soccer game ball onto the field. While the ball fell from the air, a cheer arose throughout the crowd and the game was soon to begin.

Along with games and balloon rides, there was the traditional Homecoming Court crowning but this year's tradition was new in a very significant way. The Homecoming Court for the first time consisted of male and female members as well as crowning a King and Queen.

Homecoming Day was a great success with entertaining events and student support in great supply.

CROP VOLLEYBALL

Elizabethtown students were up for the challenge for the CROP Volleyball Marathon. This annual event held every fall is a grueling 12 hour marathon which goes through the night and ends in the early morning hours. Volleyball participants obtain sponsors who pledge money for each hour they play. The money raised is used to feed the hungry. The event is not only an opportunity to get together with friends and play some volleyball while enjoying the music provided, but it is a chance for each participant to make a difference in the life of another.

CONVOCATION

During the fall semester of 1990 at Elizabethtown College, there were many events held to appeal to both the academic and social interests of students and faculty alike. On Monday September 24 in Thompson Gym, the college marked the opening of the academic year with the annual College Convocation. The program for this event included music by the college band and concert choir and the procession of college scholars for 1990-91, faculty, trustees, and administrators. The convocation address was given by the noted Mexican author, Carlos Fuentes.

FALL REVIEW

HANDS ACROSS CAMPUS

Concern about the very serious issue of drunk driving was shown by students, faculty, and administrators of the college on Sunday October 14, 1990, as they joined hands and formed a human chain stretching from Brinser to Schlosser residence halls. The event, sponsored by Circle K, was attended by 325 people who lit candles and observed a moment of silence for the victims of drunk driving accidents. Sophomore, Roy Howell, a member of Circle K and a participant in the event, said, "the event was an ominous reminder of the possible effects that drunk driving can have on its victims."

SPRING REVIEW

It proved once again to be an exciting Spring Semester here at E-town College. Saying "goodbye for now" to Doug Wells (Marine Reservist called to duty in Saudi Arabia before Christmas) and Cindy Alphin (called to Walter Reed Army Medical Center in January) certainly dampened many E-town student's spirits. Our many prayers and best wishes kept them safe and they will hopefully return in the fall. As the semester continued, the college took part in an AIDS awareness week (February 10-13). Jeanne White, mother of the late Ryan White spoke that Monday night, February 11, urging students to protect themselves and to be responsible. "I don't want anymore people to be a Ryan White. . ." Her presentation left no one untouched.

As Zug Memorial Hall (formerly Zug Memorial Library) continued to change before our eyes, construction was begun and completed on the Memorial Garden just outside the High Library. TGIS weekend marked it's dedication. Ground was broken this semester to build the new plaza in front of Esbenshade Hall, the gift of the class of 1991. Yet another successful Big Brother/Big Sister Day was executed with over thirty children participating from Lancaster and Harrisburg. The college provided its students with a cultural symposium entitled "The Political Earthquake of 1989" in which many noted scholars from foreign countries participated. Panel discussions about the events that rocked our world were held to inform students and faculty of the momentous changes affecting such nations as Czechoslovakia, Great Britain, Poland, Yugoslavia, and Germany. Spirits fell twice more this spring with the deaths of fifteen-year Senate member John Heinz and ten-year board of trustee chairman, V. Lester Shreiber (April 4 and 5, respectively). TGIS weekend repaired spirits, as it arrived quickly and served as being E-town's last great Spring weekend. Excitement filled the air with Act 31's Magic Show and a wonderful semi-formal dinner. It was indeed an exciting, eventful, and educational Spring Semester '91.

SPRING SYMPOSIUM

Symposium 1991 was aptly titled "The Political Earthquake of 1989: The Aftermath and Future," for it dealt with the sweeping political changes taking place in Eastern Europe during and since the fall of 1989.

The purpose of the Symposium was to encourage discussion and analysis of the political and economic impact of the events of that autumn on the "new Europe", specifically the countries of Czechoslovakia, Poland, Hungary, and the recently unified Germany. Guests from those countries as well as from Great Britain and Yugoslavia conducted public forums during the three-day event.

The Symposium sessions also dealt with what the US role is and should be in Eastern Europe. Nigel Ashford, an associate professor of political science at Staffordshire Polytechnic, in Great Britain, said that the United States' long term participation in NATO has caused a decline in US economic growth, and that the purpose of that military presence should not be to defeat Communism, but rather to support representative democracies. The danger of this though, he warned, is that the US becomes policeman for the world.

Ashford noted that the US is as interdependent on the rest of the world as the rest of the world is on it, considering the global communications network and economy. He said that the causes of peace and prosperity could best be served by promoting trade, and economic and social exchange.

The reunification of Germany was a major part of many of the discussions that took place. Horste Ropke, of what was East Germany, said that the main reason Communism fell was because of the United States' presence in Europe since World War II. Ropke commented that the reunification process is a gradual one. Stephan Eisel, the deputy director of the private office of Chancellor Helmut Kohl, said, "Germany is our fatherland, but Europe is our community."

The Junior Senior dinner dance was held Saturday April 6 at the Harrisburg Marriott. Numerous Elizabethtown students and their accompanying dates arrived early in the afternoon to take advantage of the hotel's pool, jacuzzi, sauna, and fitness equipment. Hors d'oeuvres were served at 6pm and the dinner was scheduled for 7pm. The rest of the evening was spent dancing and socializing.

FACT OR FABLE

Music, dancing, singing, acting, costumes, and sound effects — one might wonder what these things have in common. The answer can be summed up in two words, "Story Theater". "Story Theater" consists of a selection of Brothers Grimm and Aesop's Fables. The plays were performed by Sock-N-Buskin on April 11-13. A special performance was held on Friday morning for an audience of elementary and high school students followed by a question and answer period. "Story Theater" attracted record breaking crowds and Saturday's performance was standing room only. The electricity and enthusiasm of the audiences inspired the actors to out do even their best. The crowds favorite seemed to be Henny Penny whose bird and fox costumes and characterizations brought the most laughter. After long hours of rehearsals, the cast of "Story Theater" put on a most memorable set of performances. The reputation of Sock-N-Buskin has been greatly enhanced as many more great performances are expected in the future.

Spring Arts

Elizabethtown College's first annual Spring Arts Festival was held on Saturday, April 13, 1991. The event was organized by senior Laura M. Nichols.

There were a wide variety of activities including dancing, singing, poetry readings, and acting performances. There was also a juried art display, art demonstrations, and an art sale.

Some of the specific acts by students and faculty included a Movement Laboratory featuring dance and interpretive movement directed and choreographed by college artist in residence, Judy Williams-Henry, music by the college clarinet choir, and songs by a trio called the Blue Belles. There was also a performance of "The Bremen Town Musicians" from Story Theater, a poetry reading by Dr. Carmine Saracino, and storytelling by Dr. Nelson Bard and Dr. Craig Hergert.

SPRING FLING

The weekend of April 26-28 was another successful TGIS. This year's theme, "Spring Fling," was based on a beach motif, which brought back memories of Spring Break at the beach.

The fun began Friday evening with the start of the annual scavenger hunt sponsored by Residence Life Council. Also that evening was the dance held in the Alumni Auditorium featuring Johnny O and the Classic Dogs of Love.

Saturday was filled with activities that began in the afternoon with a softball and volleyball tournament. TGIS dinner was held as tradition goes at Thompson Gym. The gym was decorated with bunches of balloons, palm trees, banners, and even a kiddie swimming pool in which lounged the E-town Blue Jay. The menu for the evening included tropical food and drinks.

TGIS WEEKEND

The highlight of the weekend was the Video Dance Party held in Brinser Field. The dance was well attended and students danced to their favorite hits and videos.

Sunday was more relaxed with a beach party held in the Dell. The event included games and free ice cream for everyone. Also Sunday was the end of the scavenger hunt. Four teams showed up with the goods they had collected. There were 104 things on the list which ranged from quarry water to a borough policeman's signature and Oliver North memorabilia to a baby's bottle.

Overall the weekend was a great success for which APB deserves a hand for a job well done.

AWARDS ASSEMBLY

Each year the College holds a College-wide awards ceremony to recognize student, staff, and faculty for achievement and excellence in service, dedication, and responsibility.

Students being named to *Who's Who Among Students in American Colleges and Universities* and *College Scholars* are announced, as well as the winners of the APB Award, the Distinguished Student awards, Student Senate Awards, and the Phares Herzog Award.

Faculty Award recipients were Dr. Len Eiserer, who won the Outstanding Service to Students Award, and George Gliptis, professor of business, who won the Phares Herzog Award for his dedication to teaching.

Student Senate Award winners were Herb Nix, who won the Walter B. Shaw Symbol of Service Award; Dawn Clayton, who won the Baugher Avenue Memorial Scholarship for her work with the Memorial Garden; and Sharif Abaza, who won the Senior Senator Award.

Nancy Parmer, Dean Richard Crocker's secretary, was the recipient of the Activities Planning Board Award.

Distinguished Student Awards were presented to Dionne Y. Williams and Donald T. Lewis, freshman; Rachana M. Patel and Kerry Freese, sophomores; Nix and Scott Helsel, juniors; and Abaza, Janet Bowler, Keith Camilli, Richard Graybill, Amy Herman, and Eric Myers, seniors.

Laura M. Nichols was presented the Dean's Privilege Award for the conception and planning of the first College Spring Arts Festival.

SENIOR WORSHIP SERVICE

The Baccalaureate Service was held on Saturday May 18 at 10:00am at The Elizabethtown Church of the Brethren prior to the Commencement exercises. Students of the graduating class offered advice to fellow students, sang songs describing their feelings, or just speaking on what college has meant to them. GRADUATION

Commencement is a time for celebrating the accomplishments of our students. To begin the graduation celebration, graduates and their parents were invited to attend the President's Reception, along with faculty and staff on Friday, May 17, from 5:30 to 7:00pm. The reception was held at the Parent's Courtyard. Other special events scheduled on the weekend were: The Baccalaureate Service Saturday, May 18, at 10:00 am in the Elizabethtown Church of the Brethren, Brunch for Graduates, Parents, and Friends on Saturday in Myer Dining Hall, Reception for Honorary Degree Candidates, and finally the 88th Commencement at 2:30pm on that same Saturday. The speaker of the 88th Commencement was Robert J. Reinstein, Dean of Law at Temple University. There were approximately 272 students participating in the graduation ceremony. Those receiving honorary degrees were the following: Robert J. Reinstein, Doctor of Law, Temple University, honoris causa; Hartmut von Hentig of Bielefeld University, Germany; and Stasys Lozoraitis, Jr., Charge d'Affairs of the Lithuanian Legation in Washington D.C. This was a happy event for everyone involved. It gave the students the opportunity to share once again the important memories of the last several years. It was a chance for parents to express their appreciation to faculty and staff, while faculty and staff had a chance to thank parents for their trust.

C L U B S

Elizabethtown's many student organizations provide members of the college community with insight and experiences in fields of their choices. Clubs allow students to meet other people who share their interests outside the classroom atmosphere. This year saw the formation of four new clubs: Students for Choice, Collegians for Life, Deaf Awareness Club, and the Lacrosse Club. To gain recognition as a college club, a group must first have a constitution accepted by Student Senate. After passed by Student Senate the group becomes an official club. From there they must elect officers and plan meetings.

Habitat for Humanity entered its second year in full speed. Members of the club spent Spring Break building homes in Tennessee. These people were willing to give up their free time to help others. Another major event was Student Senate's building of a Memorial Garden. This garden will be used as a way to remember those students who died during their years at Elizabethtown College.

HOT COPY

Once again the Conestogan fit its theme, Building Blocks, to a tee. The yearbook was built upon blocks, Jamie Byrne, advisor, and co-editors-in-chief, Amy Herman and Kelly Carlson. With their help and guidance, the assistant and section editors along with the rest of the staff worked hard to produce the best book possible. The Conestogan was awarded second place in a competition sponsored by the Columbia Scholastic Press Association. The campus weekly newspa-

per, The Etownian, continued to inform and entertain its readers this year. Editor-in-chief Daniel Connolley stated, "through quality and consistency, the paper has been built and has undergone a lot of change". The publication increased in number of pages and was filled with interesting news stories. Content of the newspaper included new developments on campus, world news, weekly columns, ads from local businesses, and updates on E-town sporting events.

This year APB was definitely keeping the campus busy with many activities. The year started out with a chuckle and the magic of Comedy of Sam Simon. AND that was just the beginning. Throughout the year APB had great entertainment — top movies like Flatliners, Born on the Fourth of July, and Three Men and a Little Lady. Imagine great movies at a bargain price of one dollar. Yes, APB had a splendid year. Not only were there weekly dances but special acts. Etown saw Hazelle in her one woman

show. She was not only funny but informative. Doah, contemporary world music group not only brought smiles to faces they put happiness in our hearts. Week ends were hot and so were the weekdays. For those bored on Thursday night there was BINGO in the Jays nest. There were prizes for all winners. An organization of students providing informative and entertaining activities is what APB does. And if you thought this year was great wait till you see what next year brings.

MUSIC MASTERS

Alpha Mu is the music therapy club on campus. The organization held monthly meetings and sponsored films and guest speakers for all students and faculty interested in music therapy. In the past, Alpha Mu members were active in the regional and national music therapy

student organizations. This past year, the club had held numerous fundraisers to establish the Dr. Jenn Shinn(1942-1989) Memorial Scholarship. Alpha Mu was proud to announce that the first scholarship will be awarded for the fall of 1992.

ROCK AND ROLL

August 25, 1990 was a day for the history books of Elizabethtown College, one that the staff of WVEC will never forget. The students and faculty of the Communications Department worked for six years to achieve this goal and dream. No longer were they WVEC 640 AM, but WVEC 88.3 FM.

Weekends of the previous summer had been devoted to setting up new policies and procedures which would lead to that fateful day. During a test-broadcast, the station that had hoped to reach Hershey went beyond, to York, Harrisburg, and Lancaster. The first year of broadcasts was devoted to the establishment of WVEC within the

Elizabethtown College community. Broadcasts began from churches in the area, comments from government officials, live news readers, war coverage, high school dj's, broadcasts of the E-town High School Bears as well as Blue Jay and Lady Jay Basketball action.

The seniors who led WVEC in its first year will be missed.

Ron Tomasello and Bill Ushler will go down in WWVEC history as the first station managers of WVEC FM. Erine Larossa, Brian Lemma, and Linda Vondercorne, also contributed to make the station what it is today.

Plaster and Paint

This past year, Habitat for Humanity was officially recognized as the 100th campus chapter in the nation. Operating with approximately fifty active members, the club was affiliated with York Habitat for Humanity. Throughout the year, the group was involved in several phases of construction on a home in Red Lion. They spent several Saturdays roofing, siding, pitching the foundation and painting. In addition, they also served as the hosts for York Habitat's annual fundraising banquet. Over

Spring Break, 20 members of the campus traveled to Tennessee to assist in the construction of a home. As a fundraiser, Habitat held its first campus/community auction. Keith Marks auctioned out seventy-six items donated by members of the campus and community. Over \$1000 was raised and proceeds were donated to York Habitat and the national organization.

Remember when the BSC lounge was turned into a mini hospital and you were wondering if you should donate blood? What about the time you were terrified in the haunted helath center? Who could forget the ritual tie cutting ceremony? Well, all of these scary yet fun activities

This service club was constantly reaching out with help for many programs. The kidney foundation, cystic fibrosis, Make-A-Wish, and the Ronald McDonatld House are just a few of the groups that Circle K worked hard for. This 62 member club sponsored by the Elizabethtown Kiwanis Club

Democrat Debate

This year the College Democrats had a small, but loyal following of dedicated party members. The purpose of the club was to discuss democratic beliefs and become active with individual issues within the campaign process. Among the many activities of the College Democrats, a political forum, dealing with

the Persian Gulf Crisis, was created. Also, phone banking during the election and taking a trip to the capital. Freshman Don Lewis states that "The College Democrats is more than just a club. It is something that will influence me throughout my entire life."

Club Input

This departmental club is made up of Computer Science majors and other interested students who meet on an occasional basis to discuss current issues and have social get togethers, such as pizza parties. Members of this scholastic club have the opportunity to become active

members of the Data Processing Management Association or the Association for Computing Machinery. Both organizations give the students an advantage in learning about new technology plus prepare them to become integral parts of the college community.

SENIORS

For the past four years, the class of 1991 has worked hard to build a library of knowledge which has made them the professionals they are now.

The class took a real interest in campus and community. Members of the class were very active in many aspects of college life including Student Senate, departmental clubs, and administrative committees.

Class members spent some time to remember yester year at the senior banquet held in April. This dinner featured a slide show of kiddie pictures of unsuspecting members of the class. The slide show was a big success and will now become an annual event for the graduating class.

The senior class gift to the college was a scenic spot between Musser and the BSC. Class members hope students will relax on the benches and enjoy the flowers and the trees.

U N D E R C L A S S M E N

Elizabethtown freshmen, sophomores, and juniors are all striving toward their senior year and graduation. Along the way, they quietly build up confidence in themselves and their ability to perform in the professional world. Each year is a stepping stone for every Elizabethtown student. With each step, a student gets closer to the goal. . .graduation.

As freshmen entered the college, they viewed High Library as just a building on campus and freshmen seminars were part of core. To them, nothing seemed different. However, as Elizabethtown College grows and builds upon itself, these freshmen will experience change.

On the other hand, the sophomores and juniors were part of the the Librarys construction and to them a freshmen seminar seems foreign.

In the future the surroundings will continue to change, as Zug is renovated and Rider Hall is to be torn down.

ROYER

This year was an especially successful one for Royer. A combination of resident support, a strong hall council, and a motivated RA staff has made for some excitement.

In October the building helped promote alcohol awareness week. The RA staff held a "speak easy" of sorts. They brought in a panel of recovering alcoholics who shared their experiences with those who came to this program.

In November Royer set out to make the point that "Talk is Cheap". It dealt with expression and touched on everything from censorship to body language. Highlights of the week were Sherry Albert's sign language demonstration and a candlelight vigil by the lake in honor of the troops at the gulf. Yellow ribbons were tied on trees all around campus.

FOUNDERS

Founders was "flying on the wings of love" this year, and housing 315 students in four separate wings. Their theme month was appropriately placed in February. Founders is home for many activities. Each RA holds monthly hall meetings to discuss various activities and to keep the residents up-to-date on the latest news.

Founders Dorm Council sponsors programs, which are held in the main lobby of Founders. These include: Friday and Saturday night dances, lip syncs, and various guest speakers who discuss topics that relate to college life. Founders also sponsors a picnic at Lake Placida, each spring for their residents. Founders is the newest and largest residence hall on campus. It is also said to be the most secluded.

MYER

The 113 high-spirited and enthusiastic residents of Myer Residence Hall were very busy and involved this year. Behind the leadership of the Hall Council and Residence Life staff, Myer participated in many activities. These included building-wide socials, which were well-attended and lots of fun, and Myer's campus-wide theme week, "A Work of Art".

Many pro-active hall and campus improvement actions were conducted, as well as, activities for the hall and campus. Some of these activities were: Hall Olympics, Pumpkingrams, movies, and an Aerobics-a-thon, which was conducted to benefit the Cystic Fibrosis Foundation.

OBER

Ober is a centrally located residence hall that has two wings, one for women and one for men, which are connected by a center lobby. The lobby is the place for most activity, as residents battle each other by shooting pool and playing ping pong, or just to watch television.

Each hall has its own lounge which are utilized for studying and gathering of hall members. Each month the RA's meet with their hall members to discuss the upcoming activities at the college.

SCHLOSSER

Schlosser, which houses 206 women, is the first residence hall one spots when entering the Elizabethtown College atmosphere. Every January Schlosser has a theme week. This year's theme centered around "These are the days of our lives." The purpose of the week was to review significant events which took place since 1969, when this year's senior class was born. Schlosser Residence Hall Council produces and prints a monthly paper entitled Schlosser Small Talk. Inclusive, features various events taking place in their residence halls, and as well, around the campus, current events, birthdays, poetry, and personal messages.

BRINSER

Brinser has made history! On the evening of September 28, 1990, Pepe, the skunk, decided to take an adventure. He wandered into the halls of Brinser 1-North and found his new home safe and sound in the stairwell. For a while, this caused much of a disturbance, but with the help of safety, the RA staff, residents, and the aid of a water gun, the rescue mission was a success. Pepe was safely set free and the Brinser men would like to set the record straight that the incident has nothing to do with the "gentlemen" currently residing in Brinser. Brinser theme weekend was the seventh wonder of the world, and the 119 men which live in Brinser will actively participate in bringing an eighth wonder to E-town's campus.

F A C U L T Y

The most important part of any building is its foundation. The foundation of Elizabethtown College lies in its strong wall of faculty and administration. This past year saw the addition of sixteen new faculty members, new dean Richard Crocker and new directors of Admissions and Public Safety. All the new members of the college community have become an integral part of the campus.

Elizabethtown bid farewell to several administrators during the 1990-91 school year: Dave Lebo, Mary Meehan, Dennis Murphy, Karen Haas, and Steve Swope. The college extends them best wishes for future success.

Sadly, the college community lost Lester Schreiber, Chairman of the Board of Trustees. Mr. Schreiber was a well-respected, valued member of the campus and he will be missed.

S P O R T S

As is true with all colleges, the athletic teams of Elizabethtown College are a very important part of the campus community. Athletic events bring students, faculty, and staff together. It allows everyone to show their school spirit either as a player or a fan.

Elizabethtown's teams formed a wall that was not easily crumbled during the year. They provided many obstacles which the opposing teams tried to overcome. Every athlete gave it their all, as they strived to make each game better than the last.

The men's soccer team played a very good season and ended as Mid-Atlantic Conference Champions. Also having an outstanding season was the Women's Basketball Team, who were runnersup in the MAC North Championship.

All the athletic teams deserve to be congratulated on their successes over the past year.

The Women's Field Hockey Team had a tough and unusual season. As always, the spirit and enthusiasm of the players kept the team going. They got off to a slow start, losing the first three games, but things began to pick up as a few changes were made. The team ended with an overall record of 8-10. The team was once again headed by Coach Yvonne Kaufmann. Seniors Lesley Bryant and Dawn Clayton were the co-captains. Although the season was not totally successful, the Lady Jays were always optimistic. All the players gave a hundred percent in every game. They had an excellent coach and incredible talent, they just ran into some obstacles along the way.

As the season began, Coach Luy had high hopes for both the Men's and Women's Cross Country teams. Consistency and teamwork were the key to the success of the two teams.

The women were often known as the "Pack Attack" with many of the runners finishing within two places of their teammates. In the final MAC championships, they ran their way to an eleventh place finish.

Facing every meet with great determination, the men finished the season with a winning record of nine wins and seven losses. In the final MAC championships, they also placed eleventh.

It was another successful year for Coach Drazkowski and the Women's Volleyball Team. The Lady Jays finished out the season with a strong 25-17 record. In the first half of the season, the team stood strong. Included in their season was a trip to the highly competitive LaVerne Invitational. There, the team played four teams which were nationally ranked.

The Lady Jays finished fourth in their region of Division III after a conscious upgrading of the schedule. Although the team was left knocking on the door to post-season play, they had a good season. The team was led by tri-captains Nancy Dunmyer, Chris Fritzinger, and Amy Michener.

The Women's Soccer Team finished their third year as a varsity squad with an astounding 17-1-1 record. The team was led by coaches Jim Jones, Ed Batista and co-captains Jen Jones and Melissa Kucks. The team's success can be attributed to the good recruits and the returning players. At mid season they were ranked nationally; their only defeat came against F & M. This loss cost the team a chance at MAC tournament play. Despite their outstanding record, the ladies were unable to capture an NCAA bid due to the lack of games played against the Top Ten teams. In the 1991 season, these teams will be added to the schedule to allow for the opportunity for NCAA action.

The soccer team once again made Etown proud, ending the season with a Mid-Atlantic Conference Championship. The Jays dazzled the fans and opposing teams throughout the season. The New Blue entered into the playoffs undefeated. Although they did not reach the goal of the final four, they had a great season. The entire team displayed strength, skill, and determination. Leading the team were senior tri-captains, Jay Varrato, Chris Morgan, and Robbie Martin, all of whom were named All-Americans. The captains were quick to give credit to the team as a whole. All of the teammates contributed to the accomplishments of the season both on and off the field.

The swimming teams completed the season with many individual and team accomplishments under the direction of Coach Mike Gunivan. The men's team, led by captains Joe Denlinger and Brian Renninger, finished with a record of six wins and seven losses. Tri-captains of the women's team were Jen Benton, Heather Frank and Gretchen Lusch. The Lady Jays ended with a record of nine wins and five losses. All the swimmers showed great enthusiasm and team spirit. Everybody gave it their all during every meet. The swimming teams received a lot of support from the college community throughout the season.

After coming off of a losing season, the Lady Jays showed much improvement with a record of fifteen wins and nine losses. The season started strongly, with the team placing third in the Mary Mount Tip-Off Classic. They had a slow middle season, but continued to strive. They ended their campaign by qualifying for MAC's. The team was headed by coach Yvonne Kauffman and co-captains Sue Krieder and Pam Levan. All the team members showed team spirit and approached each game with a positive attitude. Many players had personal highlights during the season but no one forgot that it was a team sport.

The basketball season was the start of a new foundation. The team roster was headed by the only two seniors on the squad, Matt Duffy and Troy Portser. Although the Jays were a young team, each member played from the heart and kept the games close and competitive. Not only was the team young, but it was undergoing a new system with a new coach. Coach Schlosser's team finished second allowing them to advance to the MAC Northern Section playoffs. Overall, they had a record of thirteen wins and thirteen losses and a conference record of ten wins and six losses. The team is looking for good things to follow.

The wrestling team ended the season with a record of eleven wins and thirteen losses. The team was coached by the father and son duo of Kenneth and Dave Ober. The Blue Jay matmen fought tough as reflected in the personal successes of three wrestlers who advanced to the National Championship competition. Since the team did not lose many members due to graduation they hope to use the experience gained this past year to help improve the team.

In January, a dedicated team of ladies started their pre-season workout with practices at six o'clock in the morning. From the beginning, this squad put forth all their effort and determination to be number one. The team was lead by Coach Drazwoski and senior, Dawn Clayton. Even though the team struggled a bit during their season, they kept their heads high and their hopes alive. The teams motto was MTXE. With each player demonstrating Mental Toughness and exerting Extra Effort. The team spirit and togetherness was as strong as ever. The team finished their season by sweeping a double header against conference rivals Susquehanna and Juniata. A major highlight was the ten run comeback versus Dickinson to gain a win.

An Etown player steals second base

The Bluejay baseball team made it to the NCAA Mid-Atlantic contests, but after two losses to William Paterson and York, found itself content to reflect on what was an impressive season. Despite a number of ups and downs, the team finished with a solid 26-9-1 record.

The team split the critical doubleheader with Juniata that could have spelled a shot at the MAC Northwest section title. But despite that, the team garnered an at-large bid to the NCAA regionals, to drop two close contests to Paterson and York 4-5 and 7-8, respectively. The Jays consistently proved their resilience, as the end of one winning streak would prove the beginning of another.

The team was ranked fifth in the national going into the latter part of the season, supported by strength in a number of critical fielding and pitching positions.

The women's tennis team finished its season on a high note with a win over Scranton, to finish second in its division with a 10-2 record overall.

The women Netters sent Amy Jo Lutz and Carla Shoemaker to the MAC singles tournament, and freshman Amy Hite and senior Jodi Weidman to the MAC doubles tourney as its number one seed. Unfortunately, the Jaygals came home empty handed.

The MAC disappointments did not tarnish an excellent season of play however, the team's most successful since 1984.

Senior Netter Jodi Weidman finished her collegiate career with an impressive 56-12 record, which puts her at first place on the College's all-time victory list.

Solid seasons were also registered by Lutz (10-3), Shoemaker (8-5), Laurie Herbert (8-3), Hite (11-1) and Michelle Artz (9-3).

The duo of Hite and Weidman topped the team's doubles wins at 13-2.

The men's tennis team ended its season with an overall 10-3 record, and a 6-0 conference record. Yet despite a solid season some last minute losses against King's College made a shot at the MAC Team Championship a dream only.

The team went into the last part of the season on a high from winning its last six matches, but did not have the momentum to stop the King's Monarchs, as they took two of the three doubles games.

Coach Bob Schott and the men's team did defeat King's College earlier in the season, however, to win the MAC Northern Division, for the first time since 1975. They also clinched the Northwest section title with a 9-0 victory over Lycoming.

The team sent sophomore Netters Steve Barnes and Dave Bluett to the MAC Championships competition, however victory proved elusive for the pair.

The men's golf team ended its season placing fifth in the Middle Atlantic Conference tournament. Not bad, for a young team that graduated only two seniors, Joe Kropiewnicki and Ralph Clouser. The golf team was brought back as a varsity sport in 1988, and has come a long way. Coach Royal Snavely and the team have high hopes for a MAC title in the future, and are well on their way there. The 1991 season ended with an overall 50-7-2 record, and with an impressive 9-0 in match play, the second consecutive year the Hackers have gone undefeated. These statistics are especially spectacular considering that the team played schools from Division I and II, as well as Division III.

The team also tied for fourth place with Trenton State in the Susquehanna Invitational, played in April.

As of mid-October, more than 200,000 U.S. troops had been deployed to Saudi Arabia, prepared to defend the desert kingdom from a possible Iraqi attack.

Violeta Barrios de Chamorro, publisher of Nicaragua's opposition newspaper, led a 14-part coalition to victory over Sandinista rule despite political inexperience.

On April 22, 1990, an estimated 200 million people all over the planet celebrated the 20th anniversary of Earth Day.

YEAR IN REVIEW

1990-91 brought with it many happenings and persons who brought change to the country and to the world. Perhaps the event with the strongest impact, the War in the Persian Gulf raged for more than a month as Allied troops battled to force Ira-

qi leader, Saddam Hussein out of Kuwait.

Back on the homefront, yellow ribbons were hung proudly, awaiting the safe homecoming of all the troops. Other events and faces of 1990-91 are chronicled on the following pages. . .

The Southern United States spent much of the Spring wringing itself out after weeks of pouring rain. Entire towns were turned into muddy lakes.

World leaders welcomed a united Germany into the international community on October 3rd. The unification came 11 months after the Berlin Wall had fallen.

Homelessness remained one of the country's top problems. The number of homeless people is now estimated to be between 250,000 and 3 million.

Madonna kicked off her 1990 tour with a seven-concert tour of Japan beginning in April. Madonna then came back home to the U.S., and went on to more shows in Europe.

African National Congress leader Nelson Mandela, one of the world's most celebrated political prisoners, was freed by the South African government in February.

Dear Wendy,
 Congratulations to our special graduate! You have worked hard, managed your finances well and made us very proud. Your junior year abroad was a difficult time for your family; we missed you terribly but the memories you have of France will forever be captured in your heart. May you seek God's guidance as you plan for your future.
 Love, Mom, Dad, and Ron

Sharon,

You've given us so much joy and happiness in our lives! We are so very proud of your accomplishments and we wish you all the best in the future. We know you'll be a success at whatever you do. We love you very much!!
